

## WHAT IS OUR PLAN FOR ACTION?

- We can share and teach and train and do it over again, but IF we don't take ACTION – it doesn't really have meaning.
- Look for Diversity in everything you do, everything you read, everything you see
- Always be thinking – WHAT IS OUR NEXT STEP?
- Sometimes, just one little thing we do or say – can make all the difference to that one person. And then the 'ripple effect' of feeling INCLUDED and that you BELONG.
